

Jonathan Manas

EXPERIENCED FRONT-END DEVELOPER

www.JonathanManas.dev

(63) 908-8926595

Professional Experiences

Senior Front-end Developer

ConnectOS / Continuum, 2023 - 2024

- Worked with myosh - an Australian global vendor of cloud-based HSEQ Management SaaS- to transform and elevate software functionalities across multiple enterprise modules while overseeing maintenance tasks.
- Offered technical advice as a front-end subject-matter expert to enhance old applications, ensuring optimal performance and meeting client needs.

Senior Front-end Developer / Unit Team Lead

Code and Theory, 2018 - 2023

- Converted designs into user-friendly, responsive websites and web applications.
- Guided the front-end team to uphold code standards and ensure the maintainability and scalability of each project through code reviews and knowledge sharing.
- Provided technical and practical career support to junior developers while taking a leadership role in overseeing their work.

Front-end Developer (Software Engineer II)

Citron Information Solutions, Inc., 2016 - 2018

- Managed the front-end specifications to guarantee accessibility and functionality of web applications for both public and private enterprises.
- Ensured compatibility across various browsers, addressing the diverse user base and enhancing the UX on multiple platforms, such as web and desktop apps.

Senior Front-end Developer / Team Lead

Public ApS (Denmark) / RelationHouse, Inc., 2011 - 2015

- Developed scalable, responsive websites using proficient tools and standards.
- Contributed to technical planning, task scheduling, and delivery reporting.
- Established development guidelines to improve production workflow.
- Actively participated in the recruitment process, contributing to hiring new team members to strengthen and expand the project team.

Web Master / Graphic Artist / Marketing Manager

Integrated Security and Automation, Inc., 2007 - 2010

- Oversaw the upkeep of the company website, and its content creation.
- Led the Marketing Department in the development and execution of the company's marketing and advertising campaigns and strategies.
- Managed trade exhibitions and events, ensuring successful execution.
- Generated emailers, online newsletters, and print collaterals to support the company's promotional efforts.

Front-end Developer, Web Designer, Graphic Artist, HTML+CSS Coder

Various Organizations as Contractor, Project-Based, or Freelancer, 2005 - 2007

Other: Resource Speaker / Trainor (ReactJS Training)

Phoenix One Knowledge Solutions, May 30 - June 01, 2018,

- Acted as a temporary instructor to a batch of developers from various local companies that were venturing into React for the first time
- Provided training to facilitate introduction and understanding of React development principles and standards.
